

Summer 2017

Join Me On A Painting Safari in and around Marshfield, there is NOTHING like painting outdoors!

Dates... June 6 – July 25, Tuesdays 9:30-12:30 No class June 13 and July 4th

We will be Intrepid Painters – I will be working in Acrylic, you are welcome to use acrylics, oils or whatever medium you like – all levels! We will start with a short demo, and a theme to be conscious of, for example, edges, atmospheric perspective, architecture, fog, color, composition, long view, close ups, etc. And we will paint the beautiful nooks and crannies of the areas in and around Marshfield. (including Duxbury, Scituate, Hingham and more.)

Bring a sense of adventure and a beginner's mind, and as always when painting outdoors, a sense of humor! A portable easel, your medium of choice, viewfinder, and water, sunscreen, a hat and bug spray are all you will need. A gentle critique for those who want one at the end of class will be a nice way to wrap up the morning!
